AUBA meetings that were held throughout the year included the following:

AUBA Executive  
Core Executive  
Finance Committee  
Planning Committee  
Missions Committee  
Licensing Committee  
Trustees  
Historical Committee  
Regional Working Group

In addition, the AUBA held a very successful Gospel Concert for Haiti on February 21<sup>st</sup>. A total of \$5,424 was sent to Canadian Baptist Ministries for Haiti Relief as a result of that concert. We just praise God for His marvelous works. There were 17 Choirs from the various AUBA Churches and the glorious music resonated beyond the rafters at Saint Thomas United Baptist Church that day. It was awesome! Our churches have so much rich talent!

Also, the AUBA itself sent a donation of \$1,000 to CBM in support of the Haiti Relief Fund.

Other fund raisers are being considered later in the year. We ask that you remember to keep us in your prayers.

We have not been idle and we continue to follow the teaching of the Bible and support all our churches as we are called upon.

The Moderator, Sis. Alma Johnston appreciates being asked by various churches and groups to represent the AUBA whenever she is called upon and if her schedule permits. Remember to keep us in the loop and please advise us early about your **upcoming events** on your Church calendar, so we can put them on the website.
